

Current Status Report for New In-City Business License Applications

12/30/09-01/07/09

This list includes new in-city applications only. Current processing times for business licenses are as follows: new in-city applications 4-8 weeks and new out-of-city and home occupation applications 2-4 weeks. Please note that additional processing time may be necessary. Columns that contain a check mark have recorded a department approval. ***For the status of applications submitted 4 weeks ago or longer, contact the appropriate department(s) directly which have not yet recorded an approval.*** For the Fire Department please call 619.667.1470 and for the Community Development Department please call 619.667.1158.
